Founded in Florence in 1921, Gucci has become renowned the world over as a name synonymous for luxury, Italian craftsmanship and glamour. In 2007, fifty years after its debut, another Italian legend — the iconic FIAT 500 — was reborn to outstanding acclaim. This storied model looks at the world from a new perspective. A pop icon that symbolizes an everlasting appeal going far beyond the automotive world. Ironic, sporty, eccentric and elegant, hatchback or convertible, the 500 captures attention wherever it is seen. In the year that celebrates the 150th anniversary of the Unification of Italy and Gucci's own 90th anniversary, Gucci and FIAT have joined together to create the unique "500 by Gucci," a special edition model personalized by Creative Director Frida Giannini. A true marriage of Italian design and style. Unique details and exclusive materials make the 500 by Gucci one-of-a-kind. Available in pearlized black and white, with Gucci's iconic green-red-green web motif on the side, on the roof and on seat belts. Added distinction is provided by alloy rims, a Guccissima leather driving wheel and seats and a GG gear stick and center caps. Gucci Creative Director Frida Giannini has also designed a 500byGucci collection of casual wear, luggage, sunglasses and other accessories to complete the look.

(1) Always use Blue&Me in a safe manner, with eyes on the road and hands on the wheel at all times. (2) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years and younger should always ride buckled up in a rear seat. Infants in the rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (3) When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (4) Consult local ordinances on affixing TomTom navigation in appropriate location. (5) EPA estimated 27 CTY and 34 HWY mpg for six-speed automatic (500) and 27 CTY and 32 HWY MPG for six-speed automatic (500c). Actual mileage varies.
